

2020-09-29 Chris Whitty transcript of conversation where he mentions the RECOVERY STUDY

Geza Tarjanyi – Hello Chris

Chris Witty - Hello how are you?

Geza Tarjanyi – How you doing mate? Can I just, Geza Tarjanyi we've just been across from Downing Street.

Chris Witty – Yes

Geza Tarjanyi – For 51 days wanting to speak to the experts, any chance at all you can come and speak to us, or arrange a time, I did email you

Chris Witty – It's quite difficult as there's an awful lot of people who want to do it!

Geza Tarjanyi – Yeh?

Chris Witty - I do apologies it's just that are so many people asking, I do apologies

Geza Tarjanyi - Can I ask you just one question then? Why are you not promoting Hydroxychloroquine? Because if we did that cure alone would stop all this that is going on!

Chris Witty - So on this, **worth looking at the trials on that, the trials are really clear on that unfortunately!**

Geza Tarjanyi - Well what do you mean what about the trials?

I don't want to follow you into a cake shop, can you just, can I just have two seconds and I'll go Is that alright? just two seconds? Two seconds and I'll go!

Chris Witty – **The RECOVERY TRAIL is worth looking at, look at the RECOVERY TRAIL data!**

Geza Tarkanyi – Yeh?

Chris Witty – Thank you very much.
